About us

The Camp Pendleton Historical Society (CPHS) is dedicated to preserving and promoting the rich and colorful history of the land that is now Camp Pendleton. Our interests span the entire history of the region, to include prehistoric times, native American culture, the Spanish mission era, the rancho story, and finally, the United States Marine Corps ownership since 1942. This includes supporting historical programs onboard Marine Corps Base, Camp Pendleton, including but not limited to the Rancho Santa Margarita y Las Flores Ranch House, the Las Flores Adobe, the Mechanized Museum, and the World War II Tracked Vehicle Museum.

CPHS is organized as a California Nonprofit Public Benefit Corporation under Section 23701d of the California Revenue and Taxation Code, and is classified as a Public Charity under Section 501(c)(3) of the Internal Revenue Code.
